# *How this program works...*

Every day, you'll receive an email from me (make yourself a folder for them in your inbox...)

# *How this program works...*

Be sure to mark your emails from Digital Romance Inc. “Not Junk” so they won’t end up lost

# *How this program works...*

**In each email, you'll see...**

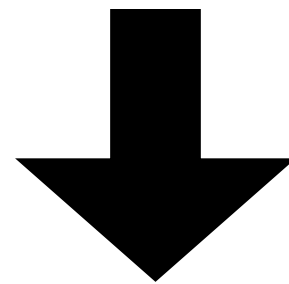

- Link to your dashboard
- Introduction to that day's material
- *Additional* content to help you

## **Great question:**

Hey, Claire and Mike -- Why is *Capture His Heart* delivered a lesson or two at a time? Why not just give me the whole thing, all at once?

*How this program works...*

**You are about to change your *life*, not just your “relationship status.”**

# *How this program works...*

**You are about to change your *life*, not just your “relationship status.”**

These are some of the most important decisions you will ever choose to make for yourself...

# *What you should do next...*

1. Read the emails and the lessons each day
